TOMTOC Light-T12 1.8L Accessory Case (Black)

Description

The Tomtoc Light-T12 accessory case is a practical organizer for electronic accessories that helps you stay organized every day. The 1.8L model is designed with laptop users in mind and features a well-thought-out design with two separate compartments, making it easy to organize your charger, mouse, cables, adapters, and other essential accessories. Its compact dimensions of 24.5 × 13 × 7 cm mean the case fits easily into a backpack or bag, and the included wrist strap makes it easy to carry. This solution replaces a tangle of cables and scattered accessories with a single, well-organized storage space.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Improper use may also cause hazards. Read the user manual carefully and keep it for future reference. Always read and follow the safety instructions contained in this manual.

1. The product is not a toy. Keep it out of reach of children and animals.
