

User Manual

TOMTOC TechPack-T73 X-Pac 15.6"/30L Laptop Backpack (Black)

Description

The TOMTOC TechPack-T73 is a modern 28-liter backpack that combines minimalist design with high functionality and durability. The use of X-Pac material on the front panel and durable 1680D nylon ensures resistance to harsh conditions and daily use, while the well-thought-out compartment layout allows you to comfortably carry a laptop up to 16 inches, a tablet, and all necessary accessories. Add to that durable YKK zippers, padded shoulder straps, and an adjustable chest strap. With dimensions of 47 × 31 × 17.5 cm, the backpack offers ample capacity without sacrificing its compact form.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Improper use may also cause hazards. Read the user manual carefully and keep it for future reference. Always read and follow the safety instructions contained in this manual.

1. The product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or does not work properly), stop using it and secure it against unintended use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If in doubt about the operation or safety of the product, consult a qualified specialist.
7. If you have any questions that are not answered in this manual, please contact our customer service (e-mail: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
