User Manual

Audio Cable 2xRCA to 3.5mm Vention BCFBD 0.5m (black)

Brand: Vention

Audio Cable 2xRCA to 3.5mm Vention BCFBD 0.5m (black)

Description

The 2xRCA (Cinch) to 3.5mm jack Vention BCFBD cable, 0.5 m long, allows for the connection of various audio devices to achieve excellent sound quality. By connecting your TV to an amplifier, you can easily create a home theater experience, enjoying an even more immersive experience. You can also connect your phone to a speaker to enjoy music in Hi-Fi quality. With the use of 24K gold-plated connectors, the cable is more resistant and durable. Made of PVC, it is also environmentally friendly.

Intended Use

It is intended for indoor use only. Using the device outdoors is not permitted. Contact with moisture, e.g., in a bathroom, etc., must be unconditionally avoided. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause

damage.

6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Operation:

1. Connect the cable to the charger/laptop.

2. Connect the cable to the mobile device.

ENVIRONMENTAL PROTECTION

Used electronic equipment marked in accordance with the European Union directive must not be placed together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The collection system for used equipment complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, cleaning facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the European Union (EU) regarding safety, health protection, and environmental protection, specifying hazards that should be detected and eliminated.
